### SEPTEMBER 2005 ARCHITECTURAL WOODWORK INSTITUTE GEORGIA CHAPTER

#### WEBSITE TO INCREASE CHAPTER VISIBILITY

The Architectural Woodwork Institute Georgia Chapter has created a new promotional tool—a website. The website address is [www.awigeorgia.org](http://www.awigeorgia.org). Highlights of the website are:

- Current Directory of Members
- Future Meetings and Chapter Events
- Links to Members
- Applications for Perspective Members
- Benefits of AWI

Please take the time to visit the site and provide input for future updates. All meetings and events will be posted on the site.

**AWI Georgia Chapter Unrolls Welcome Mat For New Website**

KENNESAW, GA - With a great serving of traditional Southern pride and hospitality, the AWI Georgia Chapter welcomes all to their newest, interactive membership benefit: [www.awigeorgia.org](http://www.awigeorgia.org)

The chapter's new Web site provides its members a source for the most current information about the AWI Georgia Chapter and the Georgia woodworking industry.

Hope is high that this new benefit will become a frequent stop for the chapter's members and members of the Georgia woodworking industry.

AWI Georgia Chapter's primary goals include:

- Promote the Architectural Woodwork Industry
- Provide Professional Development and Networking for Our Members
- Educate Architects and Builders

#### FAMILY SOCIAL SET FOR STONE MOUNTAIN

A chapter social event has been scheduled:

**October 1st (Saturday)**

**11 AM**

**Picnic Area @ Stone Mountain**

**BBQ Lunch Provided**

Please fill out the attendance form and return by September 21st.

All members families are invited to attend. The first 25 members to respond will received free park activity tickets (i.e. the Sky lift, train ride, Crossroads

Area). We encourage all members to take part and get to know each other better in a relaxed atmosphere. For more information call any of the board members listed to the right. Come and enjoy a fall day at Stone Mountain.

## **QUALITY STANDARDS WORKSHOP SET FOR WEST GEORGIA**

Joseph Sorrelli, a past National President of the AWI, will be leading a Quality Standards Workshop on September 29th, 2005. The workshop will be held at the Columbus Hilton from 9 AM to 11:30 AM. A free lunch buffet will follow. Please contact Mark Riles @ Columbus Cabinets for an application (706-561-6497). The workshop is free of charge and limited to the first 40 applicants. Applications must be received by 4 PM, Thursday, September 22nd, 2005. The seminar modules will be (QS8002) Quality Standards Panel Products and (QS8014) Woodwork Quality LEED. Two AIA learning units are available for completion of the workshop. For more information please visit [www.awigeorgia.org](http://www.awigeorgia.org). Please contact your peers in the architectural community to tell them about this learning opportunity.

## **BROOKS HOSTED SUCCESSFUL SPRING MEETING**

The AWI Georgia Chapter spring meeting was hosted by Brooks Machinery in conjunction with their annual Open House. Lignum Consulting gave a presentation on 5S Manufacturing (How to maintain a clean work environment). A BBQ lunch was also provided by Brooks Machinery. A special thanks to Taylor and Rick Jones for their gracious hospitality. The success of the chapter is dependent on the support of Supplier Members; Brooks Machinery is a valuable asset to the local Architectural community. Use and support members of the chapter.

## **FALL PLANT TOUR SET FOR DIXIE PACIFIC**

A fall plant tour for Dixie Pacific is currently set for November 10th. Plans are to be announced soon. Please check the chapter website for more updates. Set your calendar for another educational tour. Last years tour of the Weyerhaeuser plant in South Carolina was very successful and the chapter is looking to make this a yearly event. Dixie Pacific is a manufacturer of architectural columns.

## **AWI NATIONAL CONVENTION IN OCTOBER**

The 53rd Annual Meeting and Convention of the Architectural Woodwork Institute will be at the Hilton Resort in San Diego, California. The convention dates are October 27th to October 29th. You can register online @ [www.awinet.org](http://www.awinet.org). Workshop topics include safety, contracts, and human resources. A plant tour is also scheduled. Take advantage of the many networking opportunities.
